

2017 'H' Syrah

90 Pts.

"Fresh, featuring accents of cumin and star anise to the wild strawberry and pomegranate flavors at the core. Supple and creamy, with fresh acidity. A note of caramel lingers on the finish. Drink now through 2034." August 31, 2019

Wine Spectator

"This vintage is a blend of two regions, but going forward all fruit will be from the Adelaide Hills. A rich nose of raspberry, rhubarb compote, black currant cordial, flowers and cola lead to a supple and relatively approachable palate. It is woven with soft but supportive tannins, plummy fruit and spicy oak.." Dec. 1, 2019

"...It's slightly peppery and savory, then blends in ripe mulberry fruit. Medium to full-bodied, it's soft, plush and creamy in texture, making it easy to drink now and over the next five years or so." June 11, 2019
