

LEAPING HORSE

VINEYARDS

MERLOT 2018

The 2018 Leaping Horse Merlot has violet and dark fruit aromas with pleasant plum, black cherry, cocoa vanilla, and sweet oak character in the flavor. Mouth-filling yet smooth, this is an unpretentious Merlot that can pair with just about anything.

This merlot comes from soils that are sandy loam and well- drained, allowing the wonderful ripeness to come through to the grapes. The wine spends three months' aging in new French oak.
