“There's a sweetness here, courtesy of the ripe fruit, along with spice, licorice and savory flavors. Leather and tobacco accents enter the mix as this unfolds on the long aftertaste. Shows fine balance and expression. Drink now through 2022.”

- 90 - WINE SPECTATOR, *Feb. 2011*

“Pure raspberry and cherry flavors, with a hint of licorice, highlight this elegant red, which is well-proportioned, with acidity and light tannins keeping it fresh and focused on the finish. Fine length.”
