

Barbera d'Asti

Press Highlights

2020

- 93 Pts. – WINE ENTHUSIAST, *March 2023*

“A serious and immensely pleasurable wine in one! This dark-fruited Barbera has a purity of fruit that makes you feel that you are picking the fruit yourself. Aromas of blackberries, black cherries, savory spice and forest floor. The wine is well structured with rich fruit notes on the palate that are all resolved by the bright acidity on the finish. Impressive.”

- 90 Pts. – JAMES SUCKLING, *October 19, 2022*

“Dark cherries with deep brambly fruit and hints of spice and coffee on the nose. Juicy and bright on the palate with dark spiced cherries and fresh acidity. Firm tannins on the palate with laid-back fruit. Drink now.”
