Barbera d'Asti
2020

“A serious and immensely pleasurable wine in one! This dark-fruited Barbera has a purity of fruit that makes you feel that you are picking the fruit yourself...The wine is well structured with rich fruit notes on the palate that are all resolved by the bright acidity on the finish. Impressive.” – *March 2023*

“Dark cherries with deep brambly fruit and hints of spice and coffee on the nose. Juicy and bright on the palate with dark spiced cherries and fresh acidity. Firm tannins on the palate with laid-back fruit...” – *October 19, 2022*
