Premium Malbec

“Highlights”

2011

- **90** – **WINE ENTHUSIAST**, *February 2014*

“Roasted, savory, earthy berry aromas come with a spot of leafy green on this Malbec. The palate is saturated and a touch narrow in feel, while flavors of black cherry, cassis, baked blackberry and cured meat finish with creamy oak notes and a strong hint of bacon.”

- **90** – **VINOUS**, *March 2014*

“Good full red-ruby. Blackberry, meat and animal fur on the nose. At once saline and sweet, with good spicy intensity to the plush flavors of blackberry, licorice and chocolatey oak. Nicely complex, deep wine with a suave dusting of tannins and very good length.”
