**2011**

•**90** – **WINE ADVOCATE** #204, *Dec. 2012*

“The 2011 Chenin Blanc forms the perfect introduction to South African Chenin at a bargain basement price. It has a crisp nose of fresh Nashi pear and chalk dust. The palate is nicely balanced with tangerine and apricot tinged fruit that leads to a delicate finish with well-judged acidity and hints of peach on the finish. This is straight to the points, no frills, delicious Chenin.”

•**‘Best Buy’** – **WINE ENTHUSIAST**, *March 2012*

“A nice and easy Chenin Blanc that’s also a terrific value, this white offers bright notes of ripe red apple flesh and lime rind followed by a touch of woody spice on the close. Medium weight with good cut and freshness...”
