

QUINTA DO  
VALLADO

2018 Vintage Port

92 Pts.

"...This powerful 2018 is a good example of why the family has held onto the property for so long. It combines a chic, modern sense of elegance with the stink of schist in its saturated blueberry-skin tannins. There's a fresh, green floral intensity in the aroma that calls out to its youth. Tense and concentrated, this is set for 20 years or more of development ahead."
