GRÜNER VELTLINER

'Press Highlights'

2021

- 92 – VINEPAIR, *July 18, 2023*

"Coming from the Tolna sub-region of the larger southern Pannon wine region of Hungary, this Grüner is a very cool example of how well this variety can do outside its home in Austria. It has a waxy, aloe nose with some lemon and a dose of pear/apple. The wine is soft and rich with aromas carrying over from the nose with a slight additional musk-y note. A great value wine for everyday enjoyment."

2019

- #96 Top 100 Best Buy 2021 – WINE ENTHUSIAST, *July 2021*

"This Hungarian Grüner Veltliner offers aromas of lemon rind, apricot and fresh peach. It has balanced acidity on the palate, with flavors of peach and lemon pith. The finish is pleasantly bright."

2017

- 90, 'Best Buy Under \$12' – WINE & SPIRITS, *December 2018*

"This is slightly spritzzy when first poured, a light, fresh white with juicy, crunchy grape and green-apple flavor. A crisp, salty radish note makes it clear this this Gruner Veltliner, but the wine is brisk and refreshing enough to stand in for a Txakoli."

2013

- 'Best Buy' – WINE ENTHUSIAST – *Best of the Year Issue, December 2014*

"Aromas of lemon curd and lemon pith are bright on the nose. The wine has a nice level of minerality on the palate, with flavors of green apple and fresh picked apricot that lead into a dry, zesty finish."

2012

- 'Best Buy' – WINE ENTHUSIAST, *December 2013*

"While ebulliently floral and fruity with notes of orange blossom and white peach, a bracing hit of lemon balm and lime zest make this bright, brisk Grüner Veltliner especially refreshing. It lingers long on the palate with a bristling minerality."
