

2019 'H' Sauvignon Blanc

93 Pts.

"Translucent gold. Vibrant, mineral-tinged citrus and orchard fruit aromas are complemented by a honeysuckle nuance and a hint of smokiness. Shows impressive depth as well as energy sappy on the plate, offering juicy nectarine and pear flavors, along with a bracing jolt of bitter lemon pith. Powerful yet graceful in character, finishing minerally, focused and long with building florality and a sneaky vanilla note."
