

Matetic Corralillo Pinot Noir

“Press Highlights”

2018

- 92 – JAMES SUCKLING, *April 17, 2020*

“Very attractive nose, swathed in focused, racy blue fruit and red berries. Some orange peel, ripe strawberries and oyster shell, too. Rich and full of flavor with supple tannin and a long finish...”

- 91 – WINE ADVOCATE, *August 31, 2021*

“The 2018 Corralillo Pinot Noir was riper than I expected, showy and aromatic with lots of red fruit and easy to drink. It matured for 11 months in French oak. It's quite fruit driven with a soft texture and moderate acidity.”

- 90 – VINOUS, *March 2021*

“...Chery-red in the glass, it presents lively strawberry aromas with traces of oak and just the right degree of freshness, leading into a smooth, woody finish. A well-made New World Pinot.”

- 90 – WINE ENTHUSIAST, *November 14, 2022*

2016

- 90 – JAMES SUCKLING, *March 2018*

“Strawberry and cherry aromas with lemon rind undertones. Some crushed stone. Medium body, tight and focused. Bright finish. Drink, now.”

2012

- 90, ‘Best Buy’ – WINE & SPIRITS, *June 2014*

“This is a simple pinot noir with fresh flavors of cherries and raspberries, delicious in its vibrant freshness. Bring it on your next beach vacation or drink it well chilled by the pool.”

- 90 – WINE ENTHUSIAST, *November 2014*

“Cherry, raspberry and cocoa aromas set up a full-bodied palate with juicy acidity and all sorts of red-berry flavors that's both bright and medicinal in character. It falls on the ripe and ready side, with bold fruit and a peppery, spicy finish.”

2010

- 90 – WINE ADVOCATE #199, *February 2012*

“The 2010 Pinot Noir Corralillo was aged for 11 months in French oak. Dark ruby in color, it offers up a pleasing perfume of cedar, black cherry, black raspberry, and Asian spices. This leads to a plump Pinot with savory flavors, soft tannins, and lively acidity to balance the fruit. This elegantly styled wine will deliver enjoyment over the next 4-5 years.”
