POINTS

“From Los Chacayes, Uco Valley, the 2019 Gran Malbec IV Generación was 100% aged in a third new French barrels. Dark purple in hue. The herbal nose offers notes of ripe plum, hints of blackberry and gentle aromas of violet and vanilla cookie, all within an oaky frame. Free-flowing and broad with finely grained tannins, it has an energetic core that expands to fill up the palate. An intense, intricately subtle wine.”
