

2018

MATETIC VINEYARDS EQ 'QUARTZ' CHARDONNAY

SAN ANTONIO VALLEY, CHILE

94

POINTS

"I was blown away by a Chardonnay I had never tasted before, the 2018 EQ Quartz Chardonnay, which struck me as completely different, soil-driven and mineral. They produced it in a very Burgundian and classical way with minute attention to all details. The full clusters were pressed and the juice fermented with a lot of solids and native yeasts in French oak barrels, where the wine matured for 11 months. The palate is superb - fresh, balanced and full of flavors and energy - very Burgundian if you ask me. It should be long lived."
