

2017

MATETIC VINEYARDS EQ 'GRANITE' PINOT NOIR

CASABLANCA VALLEY, CHILE

93

POINTS

“The 2017 EQ Granite Pinot Noir had a more traditional vinification after they gained a better understanding of their vineyard, which has been worked biodynamically since it was planted. There is a meat and iron note here that gives it character; it has a soft texture and very fine tannins. It has balance and freshness, and you forget you are tasting a 2017.”
