## CHAMPAGNE PALMER BLANC DE BLANCS

MONTAGNE DE REIMS, CHAMPAGNE, FRANCE

*Reims*  
1877

92  
POINTS

“On the palate, the wine is medium to full-bodied, with an elegantly textural attack, fine depth at the core, ripe but racy acids and a long, flavorful finish. This has always been one of Palmer's emblematic cuvées and this disgorgement—from early 2018—would appear to be a particular success.”
