“An elegant, complex bouquet of white flowers, apricot, jasmine and lemon oil prefaces the 2023 Chateaufeuf du Pape Blanc, a medium to full-bodied, pure and layered white wine with a fleshy core of fruit, bright acids and a lively, ethereal, floral finish. Seamless and perfectly balanced, this blend of 80% Roussanne and 20% Grenache, vinified in stainless steel and matured in concrete tank, will age gracefully over the next 15 years.””
