

QUINTA DO VALLADO VINTAGE PORT

DOURO, PORTUGAL

91
POINTS

“This unusually dry Vintage Port is stern and has some power, but it lacks that big, pure and bold fruit this normally shows. It is still well done, but I'd give this one a bit longer than normal in the cellar, even if it is not impossibly astringent. It has a real backbone, and the fruit needs to develop. It will show better in the early 2030s.”
