

2023  
REVELATION ROSÉ

COLUMBIA VALLEY, WASHINGTON, USA

90  
POINTS

“The 2023 Rosé is delicate in the glass with a vivid rose petal and dried strawberry bouquet. It opens with a balanced inner sweetness and perfumed orchard fruits, elevated by hints of candied citrus and ripe melon. The 2023 cleans up beautifully, with medium length and a tactile mineral tinge. This is remarkably pretty.”
