Two Angels

TWO ANGELS PETITE SIRAH

LAKE COUNTY, CALIFORNIA, USA

POINTS

WINEENTHUSIAST

"This deep, inky, purple-hued wine imparts decadent aromas of blackberry, blueberry, boysenberry and marionberry complemented by toasted wood, chocolate and a subtle scent of smoky-umami. Fullon tannins greet the palate, but they are mature and feel purposeful and are-most importantly-well matched with the voluptuous, ripe nature of the fruits and balanced by acidity. Deep and complex now, this wine will become even more interesting with age."
