

LUCA BOSIO BAROLO DOCG

PIEDMONT, ITALY

JAMES SUCKLING.COM 

92
POINTS

“Quite an exotic, fruity nose with ripe red berries, mild spice, red licorice and floral notes. Medium-to full-bodied with the same spicy fruit character, riding over very compact, fine and lightly firm tannins. I like the intensity of fruit here, which makes it inviting now. But wait a couple of years for the tannins to subside. Drink after 2022.”
