COLUMBIA VALLEY, WASHINGTON, USA

POINTS

“This is a very well made rosé with juicy aromas and flavors of strawberry and watermelon that remain very fresh. Blended from 67% Syrah, 24% Merlot, 5% Pinot Gris, 2% Grenache, and 2% Mourvèdre, it offers ripe fruit flavors but no sugary sweetness. Fine acidity enlivens the flavors and makes this a promising partner for pairing with food or just for sipping.”
