

QUINTA DO VALLADO DOURO RED

DOURO, PORTUGAL

91
POINTS

“The entry-level 2023 Tinto is aromatic, expressive and juicy, fruit-driven and primary, young and a little backward with a mixture of red and darker berries, with just a spicy twist. It has a dry and serious palate, well beyond what you expect at this price level. It comes in at 13.5% alcohol and with good freshness, denoting a less ripe and warm year.”
