

STONECAP

2023

STONECAP CHARDONNAY

COLUMBIA VALLEY, WASHINGTON, USA

92

POINTS

“Restrained in both its aromatic and flavor presentation but not inexpressive in either regard, this is an exceptionally classy Chardonnay at its price level. Oak influence is muted but still detectable, with subtle accents of woodsmoke and spices swirling around a core of fruit recalling peaches and ripe Golden apples. An overachiever for either sipping or dining.”
