## IRONSTONE RESERVE CABERNET FRANC

SIERRA FOOTHILLS, CALIFORNIA, USA

WINEENTHUSIAST  
MAGAZINE

### BEST BUY

92  
POINTS

"This region is not known for Bordeaux varietals. We are noticing more winemakers using others classic grapes long forgotten from the region. Aromas are notes of blackberry, dark cherry, thyme, toasty vanilla, and florals on the nose. The flavors are bold, concentrated dark berries, citrus peel, chocolate, coriander, supple tannins and a long finish."
