DESCRIPTION

Profound purplish color, typical of young Malbec wines. Intense, aromatic, fruit-forward expression with evidence of ripe red fruit and notes of violets, accompanied by a subtle minerality. On the palate, it has a sweet entry, soft tannins, balanced acidity, and medium structure.

WINEMAKER NOTES

The hand-harvested grapes for L10 Malbec come from both the winery's family vineyards, as well as from associated producers who are also in San Rafael, Mendoza. The winery's Finca Dona Elsa and Finca Asti vineyards have poor, alluvial origin soils, with a loamy-sandy texture and some calcareous sediments which provide minerality notes to the wine.

SERVING HINTS

Ideal to serve with a large variety of foods, especially with meats and hard cheeses.
