

BIANCHI MADE WITH ORGANIC GRAPES MALBEC 2022

San Rafael, Mendoza, Argentina

TASTING NOTES: The nose is defined by fresh and fruity aromas of ripe plums and blackberries. Its tannins are soft and round, with balanced acidity and red fruit notes. The finish is delicate and harmonious.

VITICULTURE: Made with organic grapes. The grapes for this Malbec were sourced from Bodegas Bianchi's Finca Doña Elsa and Finca Asti vineyards, both of which are 30-year-old estate vines. The soils are of alluvial origin with a loamy, sandy texture and medium-sized boulder layers which impart a mineral character.

INTERESTING FACT: In the southern mountains of Mendoza, where all species coexist in harmony, lives the goat. This goat inspired the label and is intended to represent Bodegas Bianchi's commitment to the environment. From natural soils, healthy vineyards and thriving biodiversity, comes this Malbec that speaks to the region's unique terroir.

FAMILY: One dream. One family legacy. Two terroirs. Since 1928, these three pillars have been the lasting values that have guided Argentina's Bodegas Bianchi for four generations. This family-owned winery is situated in the sub-regions of both the Uco Valley and San Rafael. San Rafael is one of only two DOCs in Argentina. It's farther south than the Uco, so the climate tends to be a bit warmer, with sandy soils and lower altitudes. However, the east-west orientation of the mountain ranges allows for a funneling of cool air from the Andes resulting in longer hangtime for the grapes. Bodegas Bianchi is a leader in San Rafael, producing wines with excellent structure and complexity. Water management and energy efficiency have made Bodegas Bianchi one of the most sustainable and innovative wineries in Argentina. Silvio Alberto, chief winemaker and one of the most well-known winemakers in all of Argentina, relishes marrying the traditions of yesteryear with the modern processes of today such as using clay amphorae for the winery's top Malbecs and red blends.
