

Pascual Toso

Maipú, Mendoza
ARGENTINA

High above the Maipú district of Mendoza lies Pascual Toso and its storied Las Barrancas vineyard. It was founded in 1890, making it one of the oldest wineries in Argentina, in one of its best wine producing regions. As a Piemontese immigrant, Pascual saw the potential of Mendoza as a world-class winemaking region, and the winery has always stayed faithful to its principles: Tradition. Authenticity. Innovation.

The surrounding Las Barrancas vineyard is characterized by 1,000 acres of stony soil that sits 2,500 feet above sea level. Pascual Toso's terroir-driven profile produces wines of complexity and richness, including the Alta Malbec sourced from 60-year-old vines.

Paul Hobbs, a revered giant in the industry, who consults and makes wine for his own American labels as well as Argentine ones, is the consulting winemaker to Pascual Toso. His reputation coupled with his expertise in wine and in Argentina make him an ideal partner for the Pascual Toso label.

Pascual Toso

Maipú, Mendoza
ARGENTINA

In the early 2000's, the winery brought in well-known American winemaker Paul Hobbs as a consultant. Pascual Toso is proud to have the wisdom and refinement of Paul Hobbs totaling more hierarchy, personality and distinction into their premium wines. Rodrigo Romero has taken on the role as Chief Winemaker bringing with him drive, determination, passion and experience. He also brings his natural talent to take on the challenge of leading the winemaking team to discover the characteristics of the Barrancas terroir Rodrigo is always striving to continue making exceptional wines and great wines are a true representation of terroir from which they come. The wines he is making for Pascual Toso are vigorous and full of character, portraying the beauty of the "harmonious relationship" humans can have with nature.
