## Among the Giants Estate Cabernet Sauvignon

### Press Highlights

#### 2021

- **93 Pts.** – TASTING PANEL, *April 2025*

“This well-knit wine is an excellent value. Speckled with graphite and licorice, earthy plum openly appeals on the nose as well as on the silky medium-bodied palate, where fruit ranging from tangy cranberry to black cherry converges with supple tannins amid accents of olive and heather. The finish is long and toasty.”

- **90 Pts.** – VINOUS, *December 2024*

“The 2021 Cabernet Sauvignon opens with a burst of balsamic spice, grilled herbs, crushed plum and blood orange. It splashes across the palate, soft and savory, with tart wild berry fruits accentuated by violet pastille. Oak spice and tart blackberry linger as this finishes with decent length and concentration, leaving edgy tannins that add a pleasant grip.”
