

The Ned Pinot Noir

“Press Highlights”

2021

- 92 Pts. – WINE SPECTATOR, *April 2025*

“Generous flavors of raspberry puree, maraschino cherry, pomegranate and matcha are fresh and intense. Red licorice, clove and fresh earth accents, along with a touch of blood orange, leave a long, lasting impression. Drink now.”

- 90 Pts. – TASTING PANEL, *September 2024*

“On the deeper, denser side of the varietal spectrum, this Pinot invites you in with scents of cooked strawberry and raspberry before taking an intriguing turn toward sassafras and beet; likewise on the palate, touches of tomato leaf, soil, and white pepper counterpoint a melody of ripe, tangy strawberry and plum.”
