2023  
ROSÉ OF  
PINOT NOIR

93 Pts.

"A pale shade of pink in the glass, this is a brilliant rosé, pairing stone aromas with subtle melon and bubblegum on the nose. The palate is very tactile in texture, showing Meyer lemon, white melon and delicate pale cherry flavors." - September 2023

"Pale and soft, this rosé has notes of sliced apples, watermelon and melon. It's medium-bodied, fruity and very drinkable. Drink now. Screw cap." - December 2025
