

MONSON RANCH DISTILLERS RYE WHISKEY

Prosser, Washington

ABOUT: Monson Ranch 100% Rye Whiskey offers a bold and intense flavor experience, with its spicy character and complex palate. It's a whiskey appreciated by those who enjoy robust and flavorful spirits.

TASTING NOTES: Full-bodied with a pronounced spiciness and notes of black pepper and figs, showcasing the heirloom rye grain. It has a long finish with spice that gradually mellows with oaky sweetness.

PRODUCTION: 100% Rye Whiskey, made from dry land farmed, Washington-grown heirloom rye. The rye is sustainably farmed and distilled, then aged for 6 years in charred and toasted American oak barrels.

STORY: Monson Ranch Distillers is led by the third and fourth generations of Monson ranchers together with Master Distiller Brian Morton to create uniquely crafted spirits. With vineyards, orchards and new rye and corn plantings at the family's home ranch in Goose Gap and a state-of-the-art distillery in Eastern Washington, Monson Ranch Distillers controls every step of the process for a complete farm to bottle experience. Pull these handcrafted spirits off the bar or step foot in the distillery for an authentic taste of Washington farming heritage that serves as the foundation for Monson Ranch Distillers.
