## WINE DATA

### Producer

Bosio – Passato  
Organic Wines

### Country

Italy

### Region

Piedmont

## DESCRIPTION

Brilliant ruby-red in color, with an intense fragrance marked by cherry and plum scents. Dry and full, with bright acidity and richness from the light tannins. An excellent wine for the whole meal.

## WINEMAKER NOTES

The vineyard is located in Gallina, Nieve. The grapes are grown on the Langa hills. The soil is rich in limestone and clay. There was South-westerly exposure, with extensive sun coverage, and that favored a perfect ripening. The 2020 vintage began with no particular issues in winter, when temperatures were mild, and precipitations and snowfalls were few and far between. Growth was constant rather than exponential, so the grapes reached technological maturation – in other words optimal sugar levels – between the end of September and early October. The 2020 vintage can be said to be extremely good with points of excellence, especially for the medium-long aging wines.
