

Langhe Chardonnay

Press Highlights

2021

- 90 Pts. – JAMES SUCKLING, *October 19, 2022*

“Lifted vanilla and wood spices to the lemon curd on the nose. Rich and creamy with lots of oak on the medium- to full-bodied palate, giving it a grippy feel before a long, woody finish. From organically grown grapes. Give it a year to let the wood integrate. Try in 2023.”
