

The Ned
Pinot Noir

“Press Highlights”

2021

- 90 Pts. – TASTING PANEL, *September 2024*

“On the deeper, denser side of the varietal spectrum, this Pinot invites you in with scents of cooked strawberry and raspberry before taking an intriguing turn toward sassafras and beet; likewise on the palate, touches of tomato leaf, soil, and white pepper counterpoint a melody of ripe, tangy strawberry and plum.”
