

Château Clarke

Le Merle Blanc 2023

94 Pts.

"The wine has both precision and subtle depth, surpassing both the excellent 2021 and more voluptuous 2022 with superior precision and mid palate juiciness. Long finish. An exemplary dry white from the Médoc." -*April 2024*

Decanter

91 Pts.

"Green gooseberries and lime on the nose followed by a crisp and bone-dry palate with bright acidity. Slightly chalky and saline at the end, this has a bright finish. Drink now." -
