

Le Merle Blanc de Château Clarke

Press Highlights

2023

- **94 Pts.** – **DECANTER**, *April 2024*

"The wine has both precision and subtle depth, surpassing both the excellent 2021 and more voluptuous 2022 with superior precision and mid palate juiciness. Long finish. An exemplary dry white from the Médoc."

- **91Pts.** – **JAMES SUCKLING**, *January 2025*

"Green gooseberries and lime on the nose followed by a crisp and bone-dry palate with bright acidity. Slightly chalky and saline at the end, this has a bright finish. Drink now."

2022

- **91Pts.** – **WINE ENTHUSIAST**, *July 2024*

"White-peach and lychee aromas mingle with toast from wood aging. The wine's blend with 70% Sauvignon Blanc alongside Sémillon Gris, Muscadelle and Sémillon has ripe flavors of apricots and pear with the richness of the vintage. Drink this wine now."

- **90Pts.** – **JAMES SUCKLING**, *January 2024*

"Flint, chopped apples, vanilla and herbs on the nose. It's sleek and mineral with a medium body and a fresh finish. Drink now."

2021

- **90Pts.** – **JAMES SUCKLING**, *December 2022*

"This has aromas of gooseberries, rosemary, lime curd and grapefruit pith. Some flint and nutmeg, too. Bright and flavorful with a medium body and zesty finish. Drink now."
